HILL, Albert Ross (President, UNIVERSITY OF MANITOBA) March 1919 (009)

March 3rd, 1919

President A. Ross Hill,

University of Missouri, Columbia, Miss.

My dear President Hill:

I am very sorry to again have to say that I cannot go for you to Missouri, but my engagements are such that it is out of the question this year. I have to leave here on Good Friday, the 17th April, to go to Calgary to make a long trip in the West. My plans are now being arranged and I simply cannot get in the extra time to go to Missouri. I should like very much to have a few days with you but at present we are running under very high pressure, and I must ask you to be kind enough to postpone your invitation if you will. I know that there are a great many points of interest in your work in Missouri that will be of much advantage to me and I should relish a few days with you very much.

With kind regards, I am,

Yours sincerely,

President.
